

Clifford Thieneman Co., LLC
Over 50 Years of Experience

Louisville has always been quick to recognize and reward great talent, vision and longevity by creating legends with name recognition in certain industries ...like the name **Thieneman** in new home construction.

Meet the Thienemans: Clifford Sr. and Clifford Jr. (Pete).

For over **50 years**, the Clifford Thieneman Company has been building quality homes and providing new homeowners with a building experience that is based on honesty, **extreme quality** and solid construction practices. Oh yeah, and their houses are beautiful, too.

"Our homes are our reputation," says Thieneman Sr. That reputation led to being named the Home Builders Association of Louisville's **Builder of the Year** in 1991. Having built in dozens of neighborhoods, the Clifford Thieneman Company now brings its legendary status to Rock Springs. Their presence enhances the experience and pride that will permeate through the development. "We can provide various floor plans or work from your plans," explains Thieneman Jr. Either way, get ready to experience and enjoy the work of one of Louisville's finest.
